Dearest Ralph,

Hi Honey; It won't be long now. There are so many things I could tell you but I just don't know where to begin. I can't hardly wait till tomorrow night. We are going to have make fun! I want to tell you that you are the most wonderful boy in the world; as far as I'm concerned; and the most wonderful guy I've ever gone with (Hubby). We have had lots of arguements and differences of opinion, but everything doesn't run smooth all the time. But we have fun than we have arguements. So everything is fine. I've meant everything I've ever said and I hope you believe me. We are going to have to start making plans pretty soon, 'cause time is slipping by pretty quick. You're the only person who has ever been so sweet to me and done so much for me. No one else has ever meant so much to me and no one ever will. There are so many other things I'd like to say but I'm running out of paper so I'll say, bye for now "Until Tomorrow Night"

All my love,

Betty

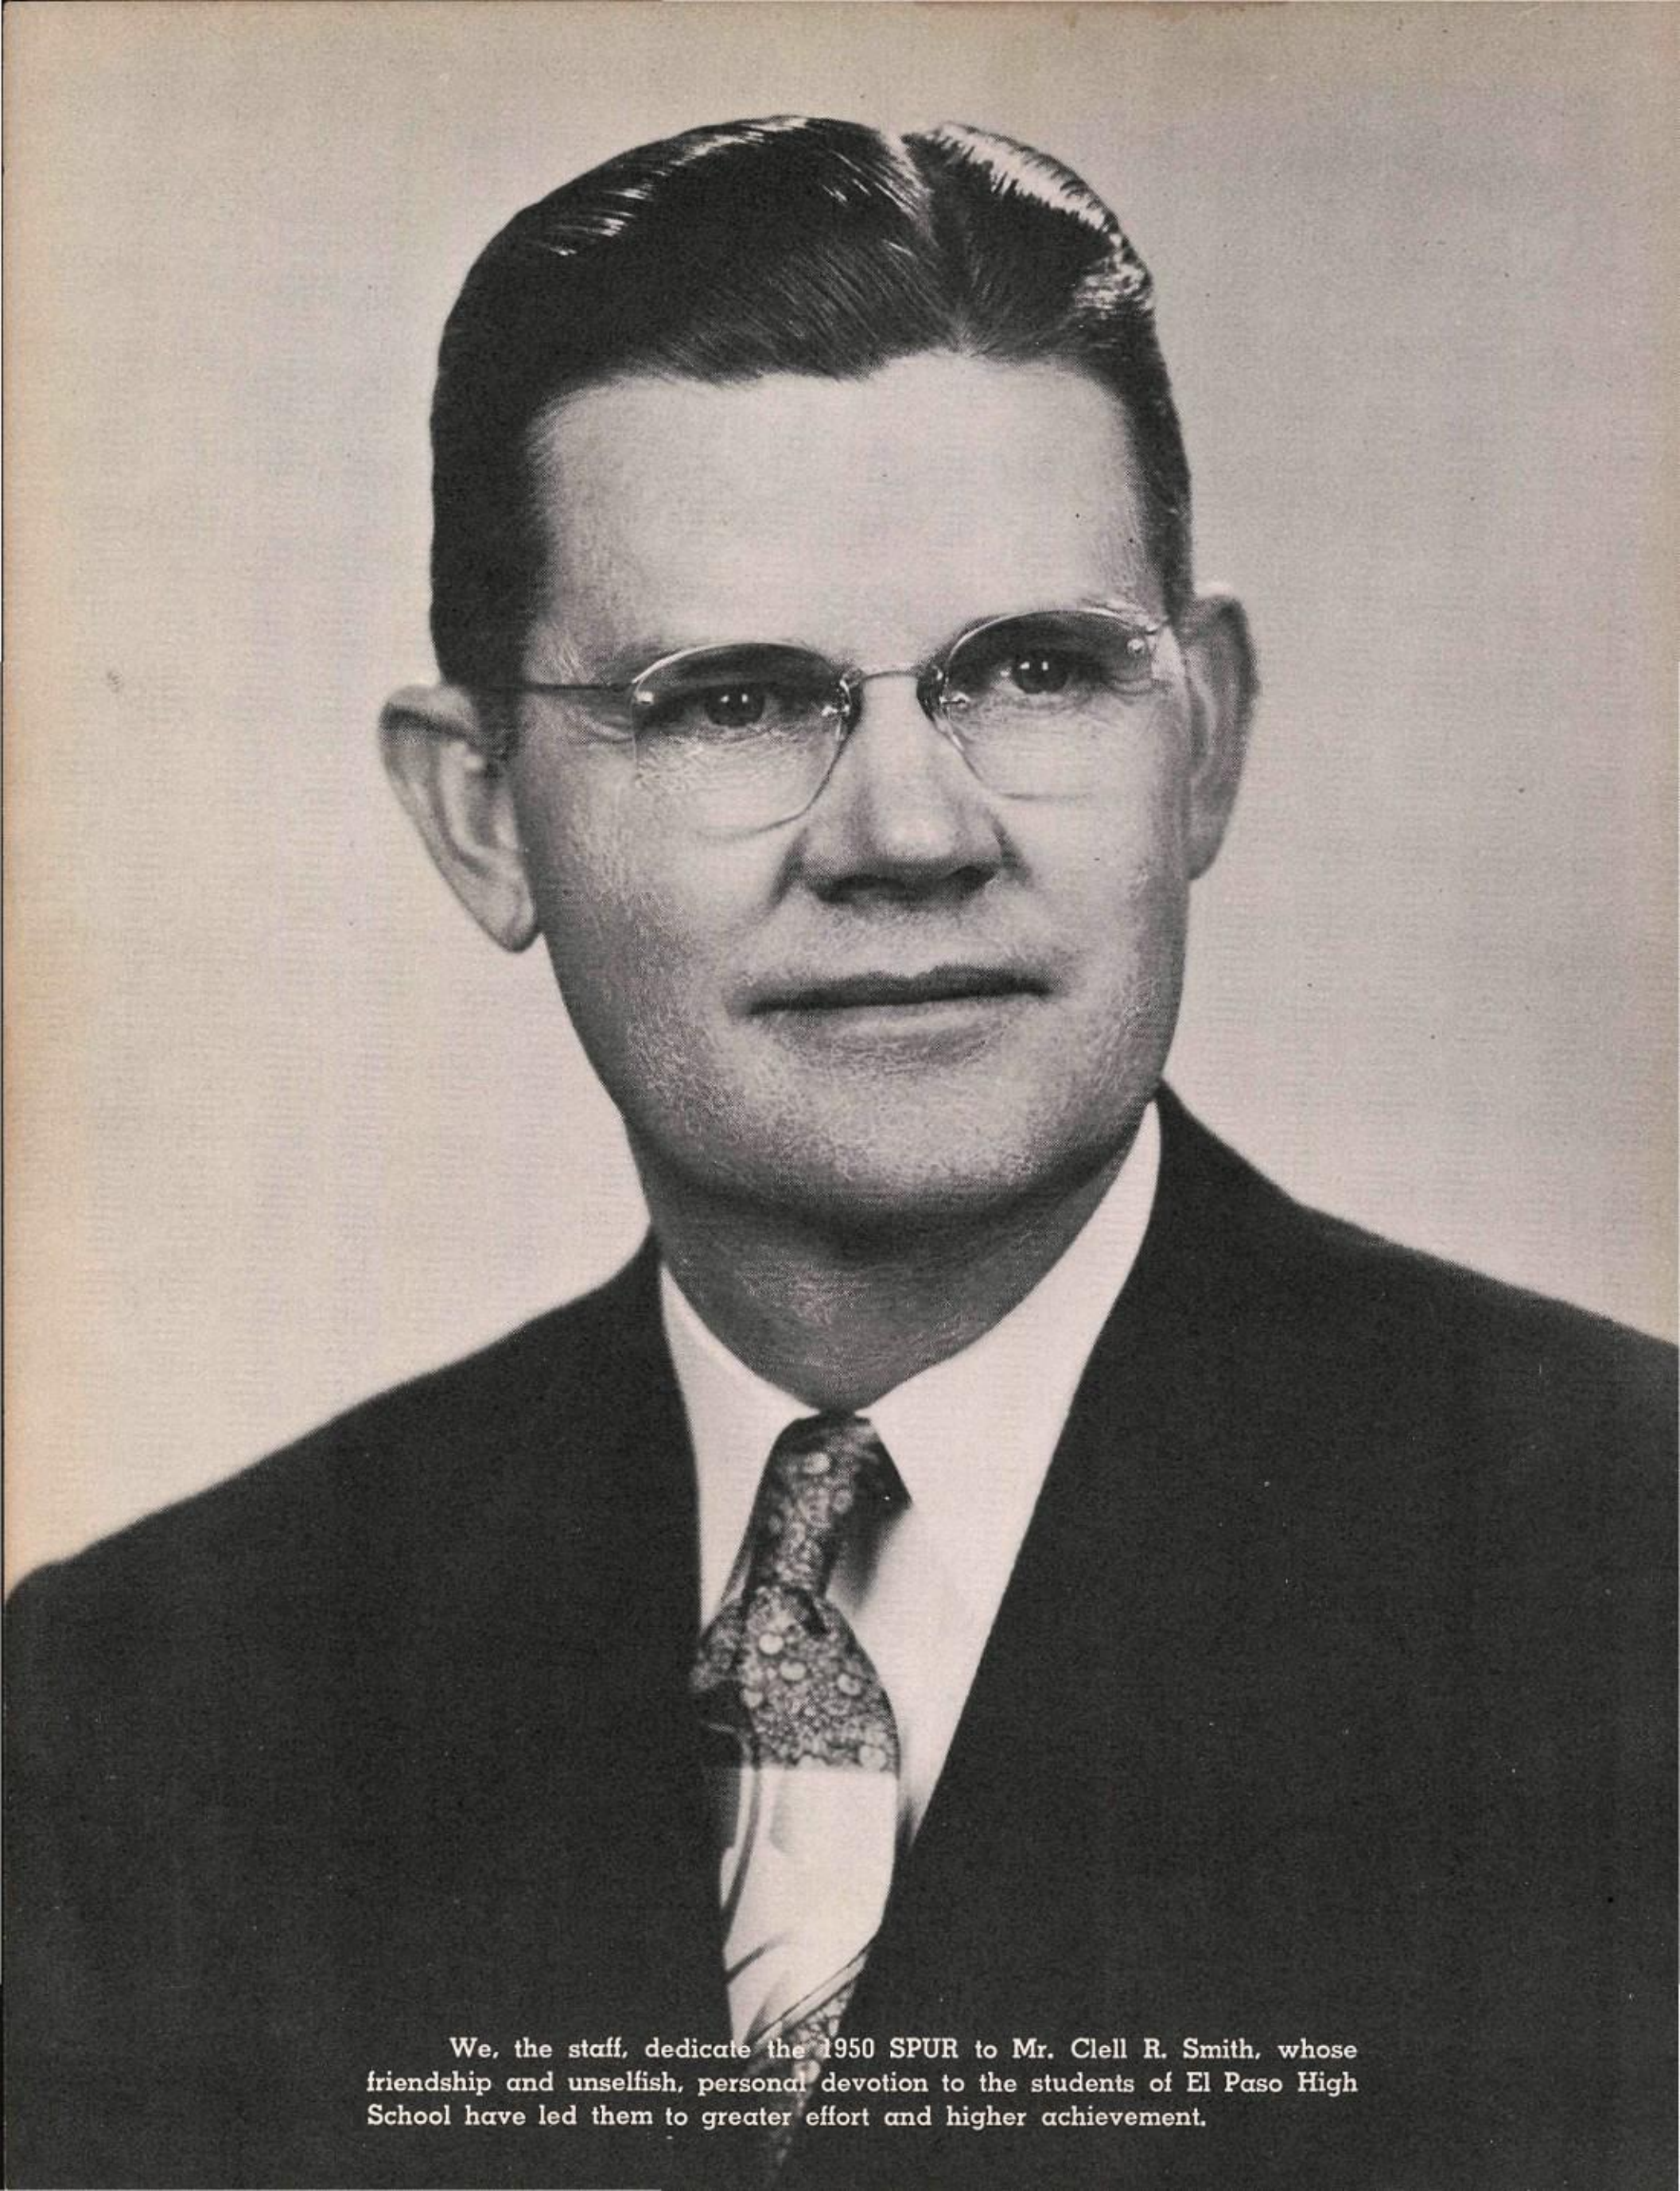
Foreword

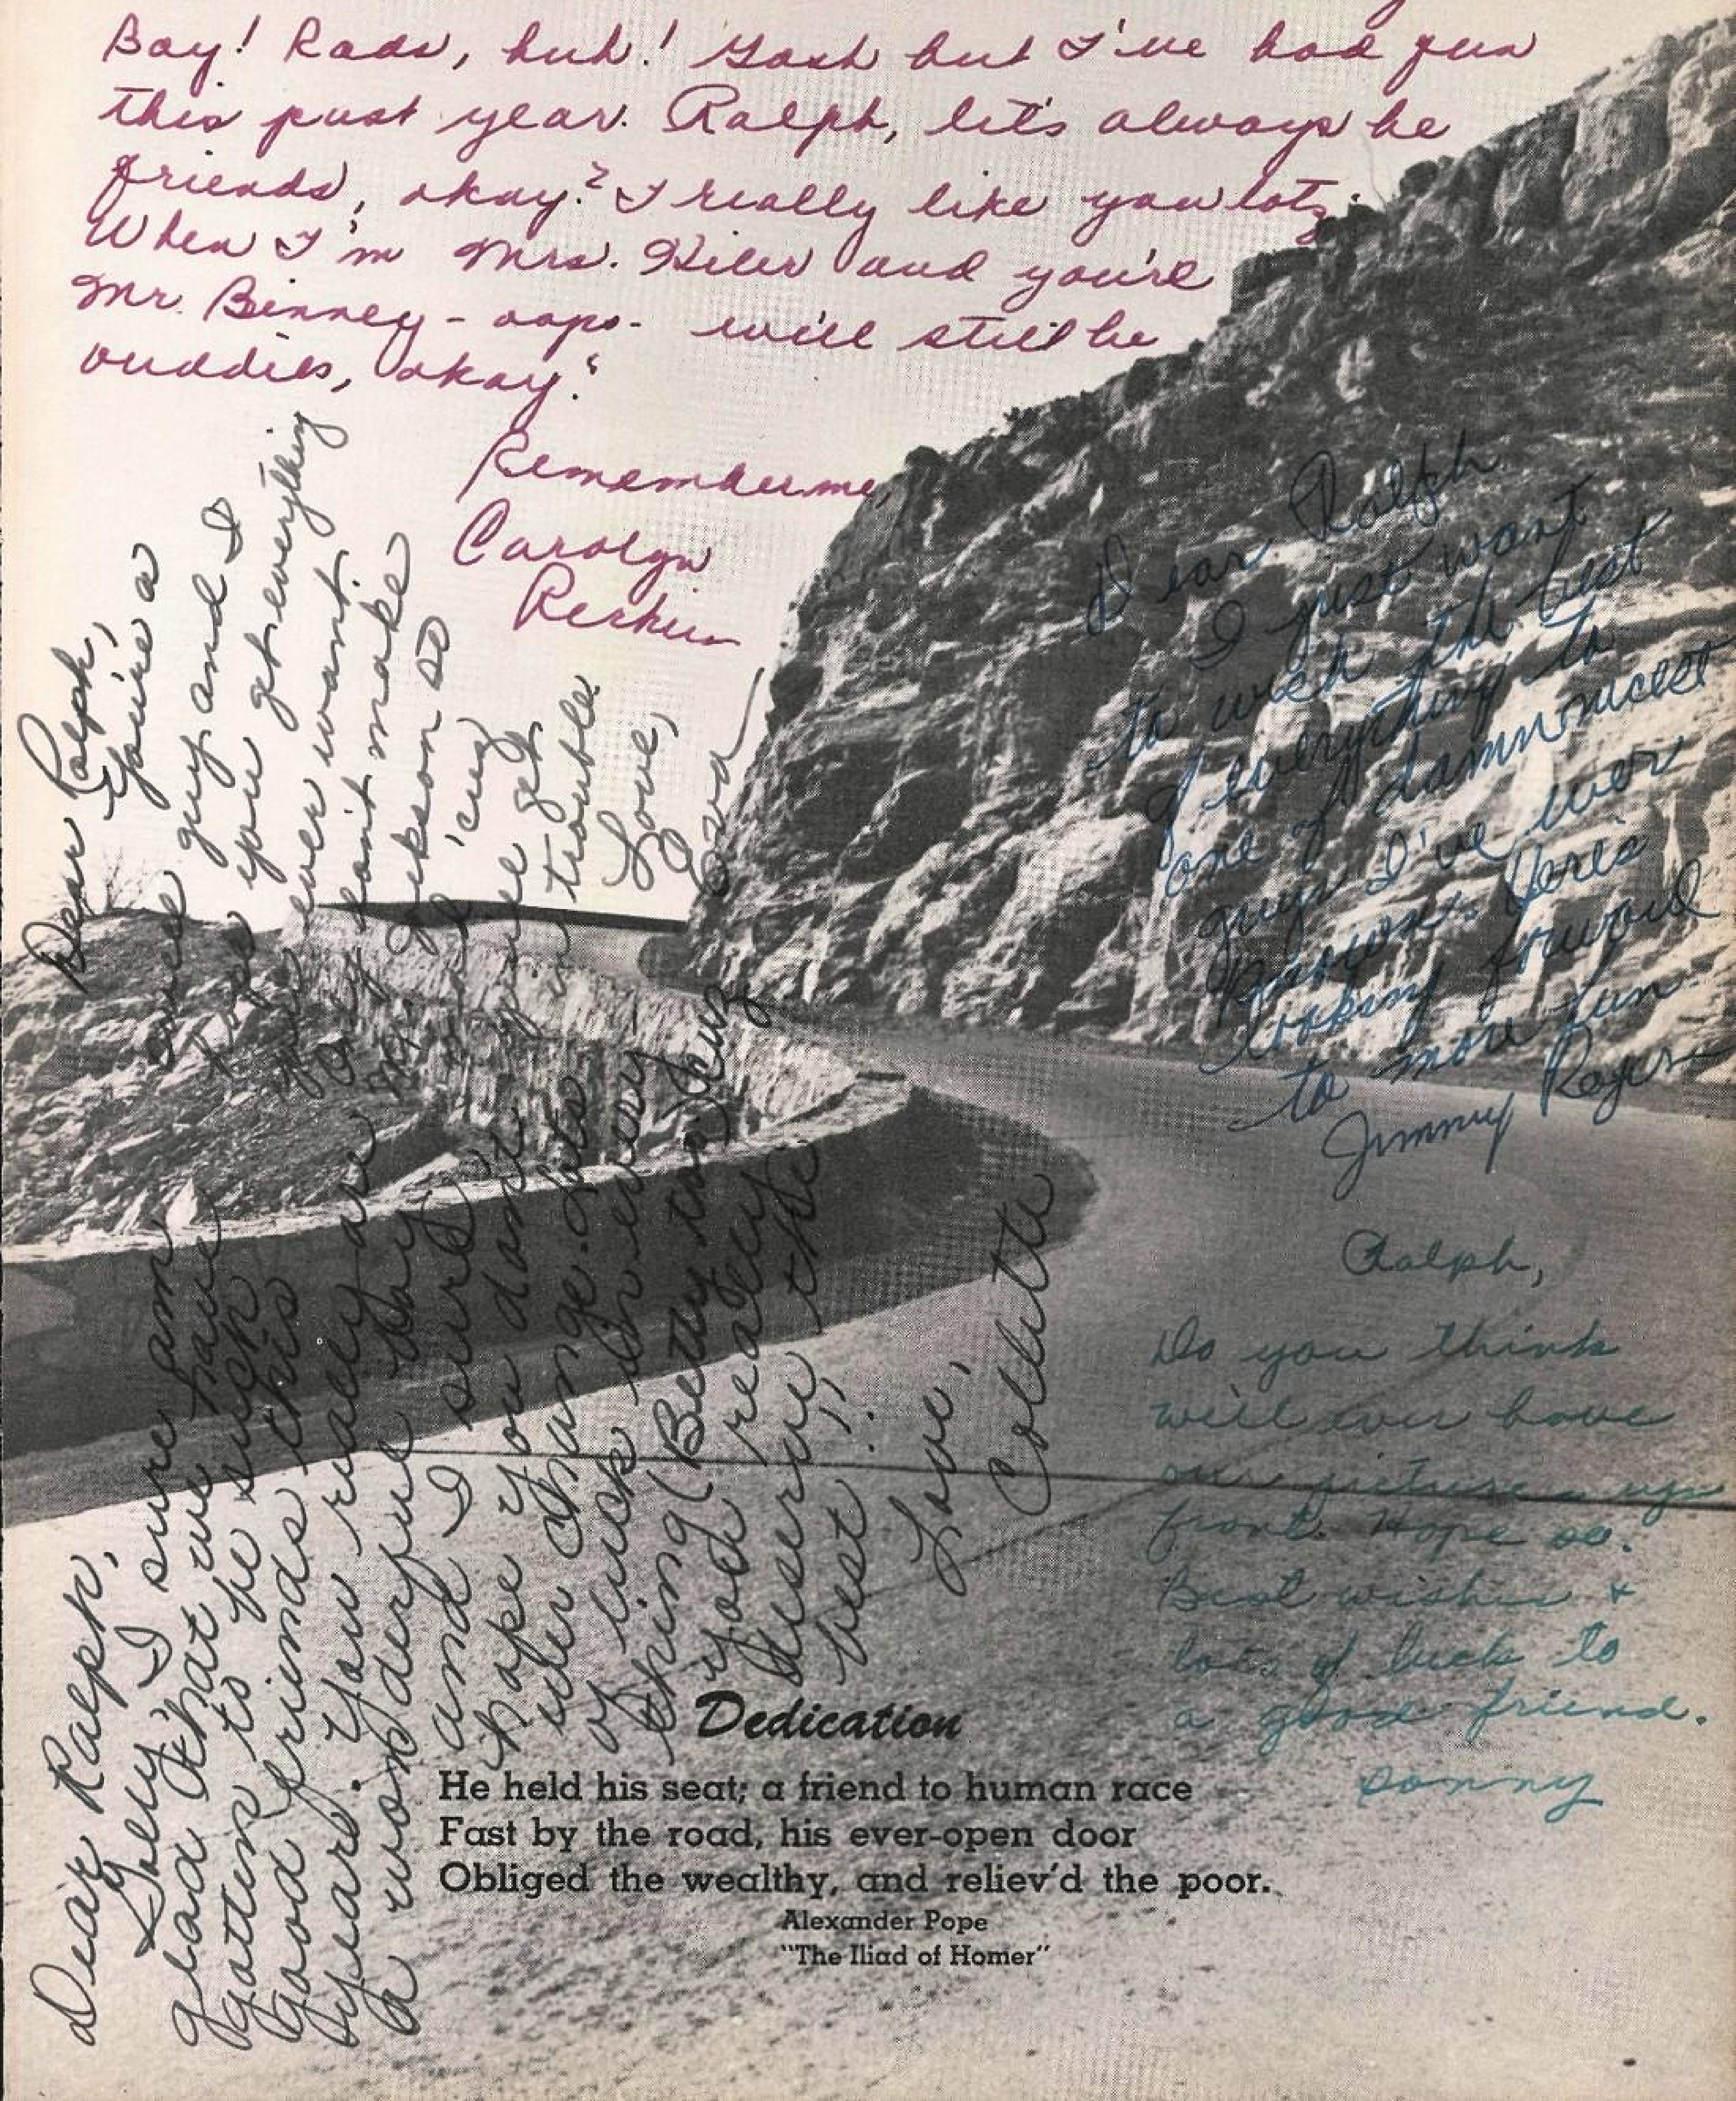
A curve in the road and a hillside
A tall tree tossed by the Autumn wind,
And a white cloud riding high;
Ten men went along that road
And all but one passed by.

Margaret L. Farrand
"The Seeing Eye"

As we travel through our high school days, we stop at many places by the road. The Staff of the 1950 SPUR has tried to recapture a few of the scenes along the way.



We, the staff, dedicate the 1950 SPUR to Mr. Clell R. Smith, whose friendship and unselfish, personal devotion to the students of El Paso High School have led them to greater effort and higher achievement.



Dear Ralph,
Whee! we'll be seniors next year. Boy! Rahs, huh! Gosh but I've had fun this past year. Ralph, let's always be friends, okay? I really like you lots. When I'm Mrs. Hiller and you're Mr. Binney-oops- we'll still be buddies, okay?
Remember me,
Carolyn

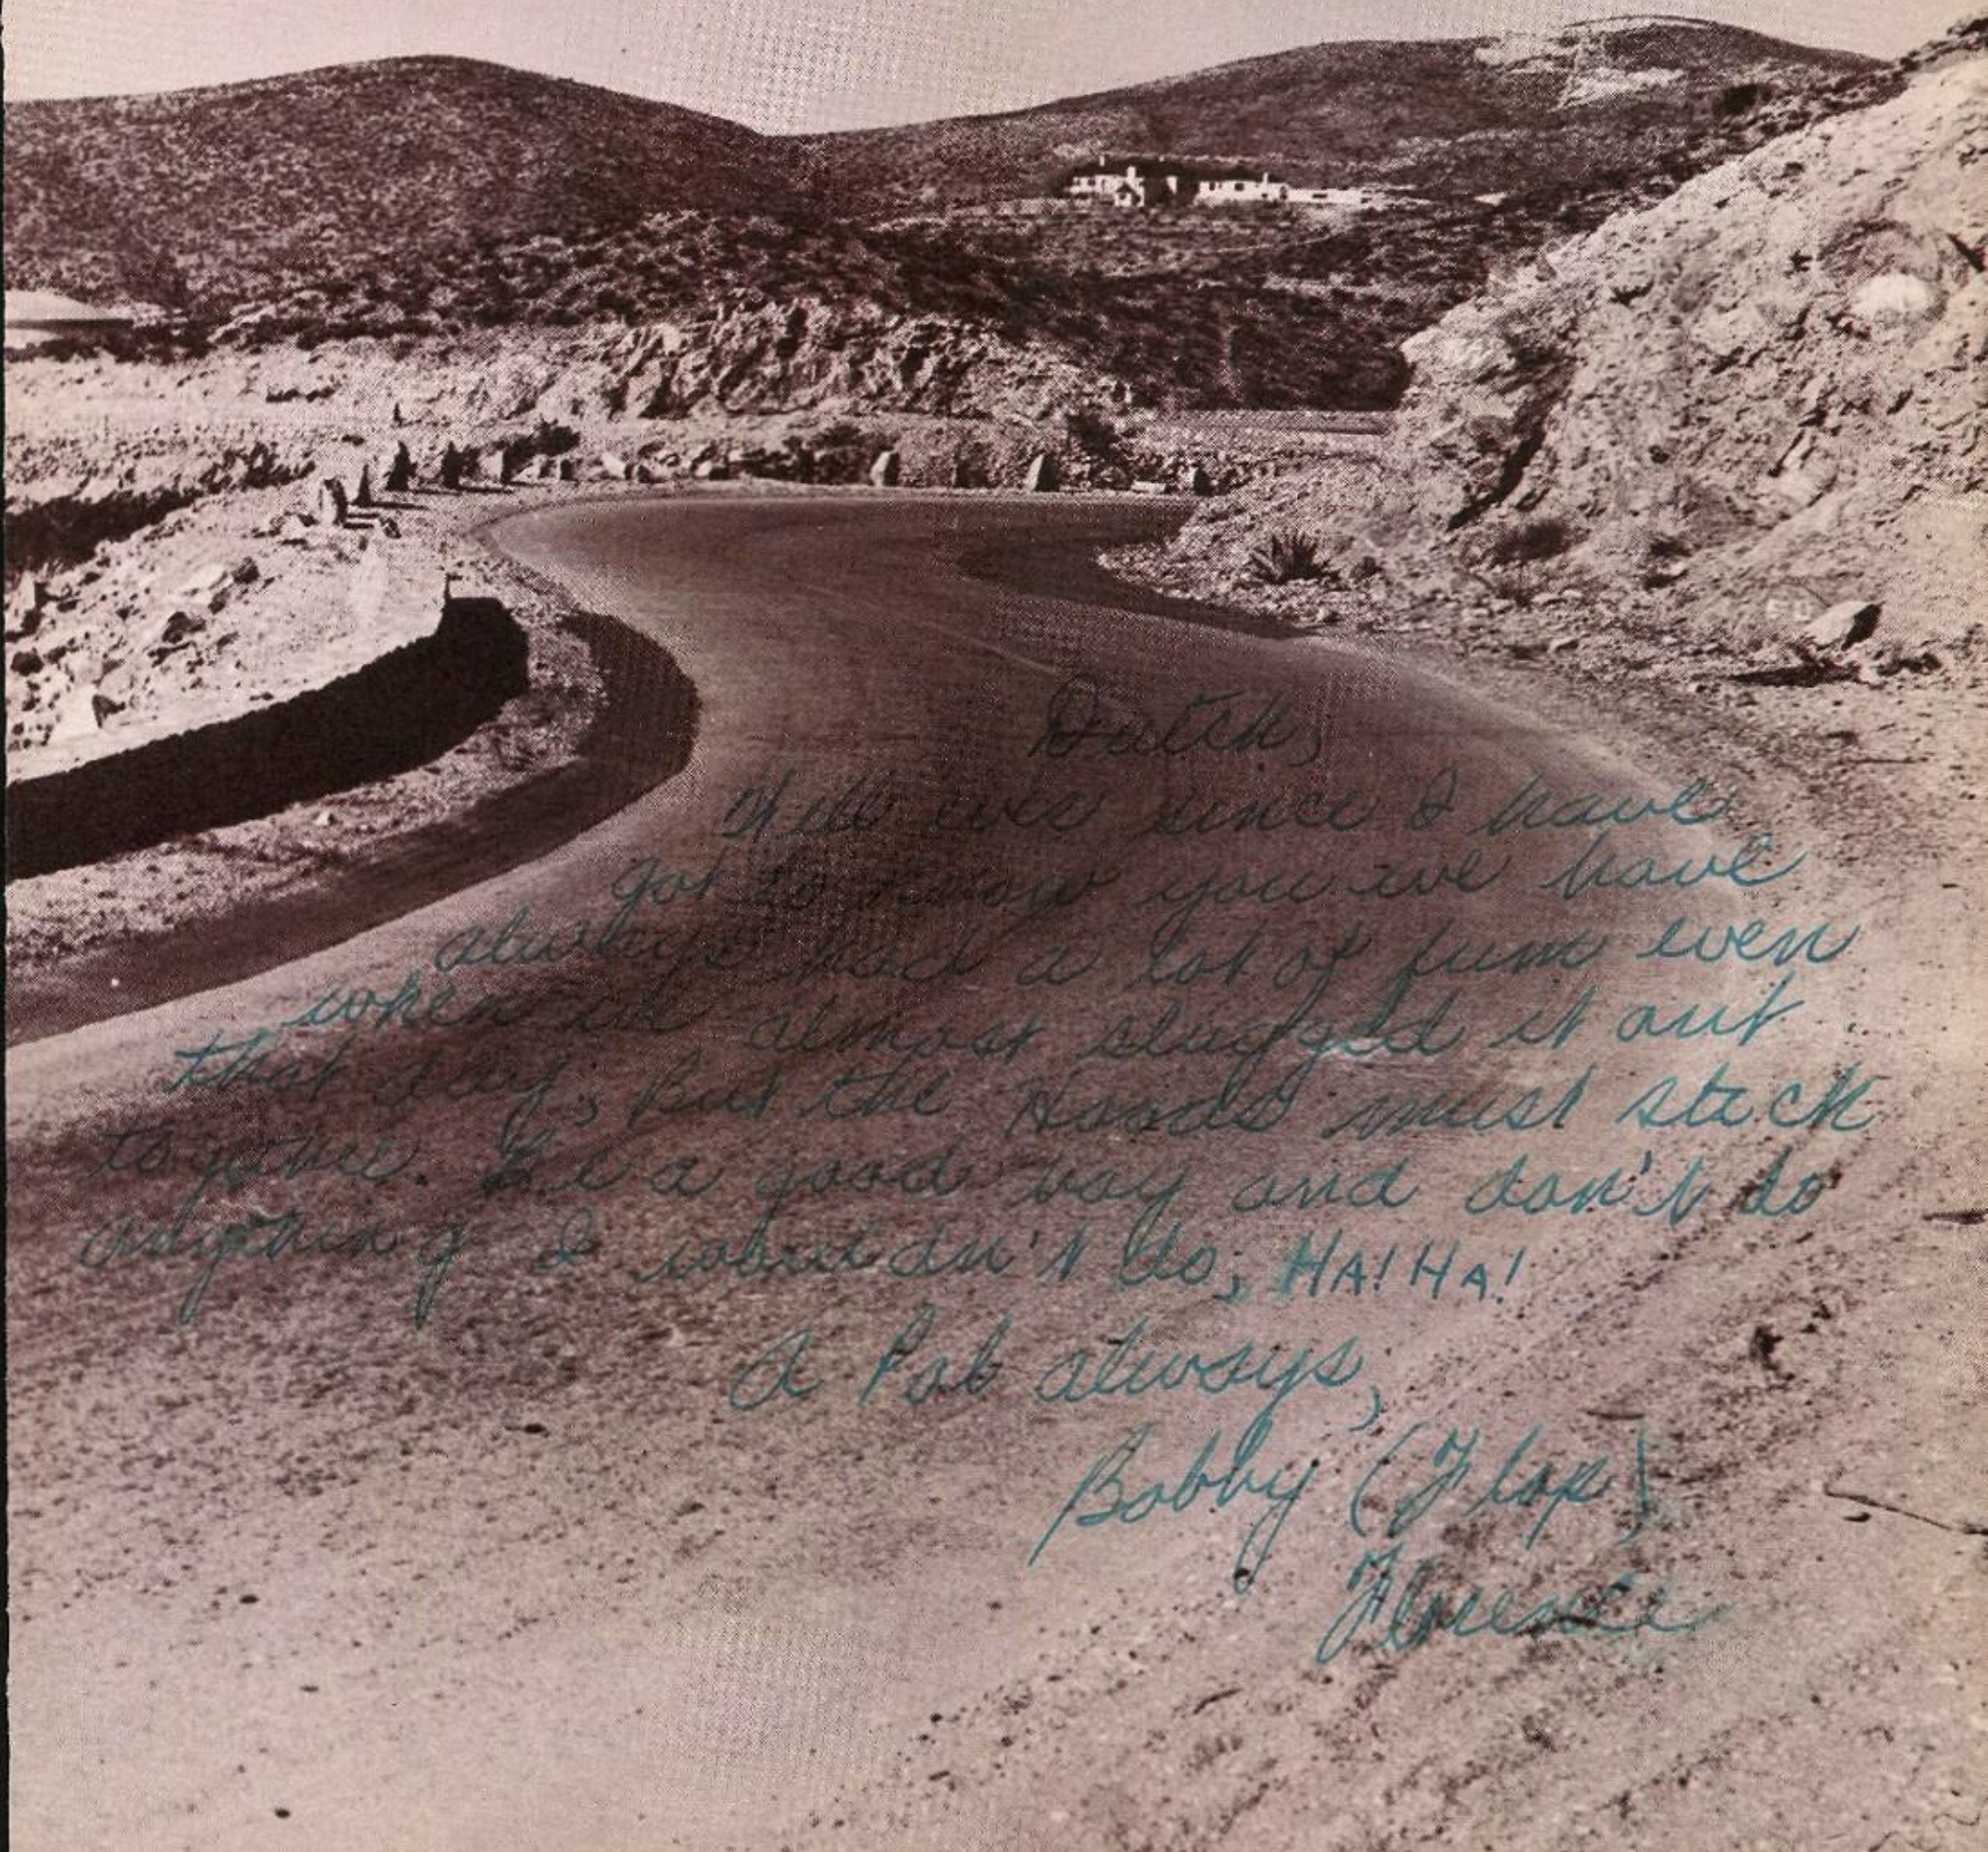
Let me live in my house by the side of the road
Where the race of men go by—
They are good, they are bad, they are weak, they are strong,
Wise, foolish—so am I.

Sam Walter Foss
"The House by the Side of the Road"



Dutch,

We've ever since I have got to know you we have always had a lot of fun even when it almost blugged it out that day. But the Hoods must stick together & a good boy and don't do anything I wouldn't do, HA! HA!

A Pal always,
